

HEALTHCARE JUST GOT *EASIER* TO NAVIGATE

New features on the Quantum Health website and app help you get answers, find care and track costs quickly and confidently.

Select your language

Search for in-network providers

Get 24/7 support

Get answers anytime

The AI Assistant gives you quick info on benefits, coverage, eligibility and claims. Need more help? A Care Coordinator is just a tap away.

Access your benefits in Spanish

Get answers fast, in your preferred language. Switch between English and Spanish anytime.

Find trusted doctors quickly

See which in-network doctors rate well on quality and cost, so choosing the right care is simple and stress-free.

Log in or download the Quantum Health app for healthcare and benefits support.
