

OPEN ENROLLMENT

NOVEMBER 15 – NOVEMBER 30, 2021

SCHEDULE AN APPOINTMENT TO ENROLL IN YOUR 2022 BENEFITS!

We have partnered with iBenefit Communication, a national benefits communication firm for our 2022 Open Enrollment. All benefit eligible employees are strongly encouraged to speak to an iBenefit counselor to help better understand how our available benefits fit their individual needs. During the meeting, the counselor will explain all benefit options, answer questions, and assist with the online enrollment process. Our goal is for all employees to take advantage of this valuable one-on-one benefits education opportunity.

COUNSELORS ARE AVAILABLE
